

February 19, 1973

Concerning the manuscript for the Basic Latvian text, we can now promise to deliver the first 150 pages for printing by June 1st of this year, and the rest of the manuscript (200-250 pages) by June 25 of this year.

Joseph Lelis

Dzidra Liepins

In addition, we would like to know whether it would be possible to reduce the size of the original copy by 20% for the last - vocabulary - section of the manuscript, and if so, at what cost in time and money.
